

JAKE'S SPRING BREAK WAS ALL SET FOR BAKING,  
NOT A HEROIC UNDERTAKING.

A stylized illustration of Paris, France. The Eiffel Tower is the central focus, rendered in a golden-brown color with a white lattice structure. It stands against a blue sky with white, fluffy clouds. In the foreground, there are several boats on a river, including a large white boat with a red and white striped awning and a smaller boat with a blue awning. The background shows green trees and a French flag on a pole. The overall style is bright and colorful.
